REMARKS

Applicants respectfully request reconsideration of the present application in view of the foregoing amendments and in view of the reasons that follow.

Claim 27 is requested to be cancelled without prejudice.

This amendment adds, changes and/or deletes claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, is presented, with an appropriate defined status identifier.

After amending the claims as set forth above, claims 2-13, 15-22, 24-26, 28-30, 32-40, 43-49, and 60-69 are now pending in this application.

Claim 27 has been cancelled without prejudice. The claim is cancelled to expedite the issuance of a patent on the presently allowed claims. The cancellation of claim 27 is not an admission that such subject matter is not patentable. Applicants reserve the right to pursue claim 27 among others in a continuation application.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.
